**Subject: Customer information regarding product compliance  
acc. to REACH and RoHS legal regulations**

HOERBIGER performance-critical products and services enable customers and partners from various industries to improve the performance and safety of their products and operations, save energy, and reduce emissions. This is how HOERBIGER enables change. For a better tomorrow. We are an innovative, globally leading technology company with a strategic focus on performance-critical components – the unique selling propositions of our components support the sustainable value creation of our customers.

The following applies to our products, as per the present status:

**EU REACH information**

Under Article 33.1 of the European Union REACH Regulation (EC) No 1907/2006 suppliers are obliged to inform customers of any substances of very high concern (“SVHC” listed on the so-called “Candidate List”), present in articles above 0.1% (weight/weight). The Candidate List is maintained by the European Chemicals Agency (ECHA), and is published at: [http://echa.europa.eu/chem\\_data/authorisation\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp).

We inform you, that the following substance is contained in our products above the threshold level of 0.1% by weight of the supplied article: Lead titanium zirconium oxide (CAS number 12626-81-2). This information fulfils our obligations in line with Article 33 of the EU REACH Regulation (EC) No 1907/2006. (Parts are not intended for mechanical machining.)

**EU RoHS compliance**

We hereby declare, that our products, to which the EU Directive 2011/65/EU and its update (EU) 2015/863 applies, are in full compliance to it.

The information provided is based on a good faith review of the information available to us. No representation or warranty, express or implied, is or will be made and no responsibility or liability is or will be accepted by HOERBIGER Motion Control GmbH or HOERBIGER group or by any of their respective officers, employees or agents in relation to the accuracy or completeness of this information.
